You'll be able to pick your exclusive wine package up at a FREE, fun event each quarter:

- **FREE access for you and a guest to our Tank Tasting Weekend (third weekend in February)**

At this exclusive event, you'll be able to sample our latest vintages of wines straight from the tank and share your thoughts with Jowler Creek winemakers on how they taste before they're bottled. (Charge for non-Creek Club members is \$10/person.)

- **FREE access for two to our Adopt-a-Vine Party (first weekend in May)**

Wanting to start your own backyard vineyard? At this unique event, owners Jowler Creek vineyard managers will explain the basics of managing a vineyard, and you'll leave with your very own grapevine for your yard...grown right from the vines in Jowler Creek Vineyard. (Charge for non-Creek Club members is \$15/person.)

- **FREE access for two to our Norton Vertical Tasting (third weekend in July)**

At this exclusive event you'll be able to taste several vintages of Jowler Creek Norton and Nort side-by-side to experience their distinct characteristics that set them apart, as well as stay consistent across the vintages. Plus, you'll have the opportunity to leave with your very own Riedel tasting glass made exclusively to taste Norton wines. We're the only winery in the Kansas City area that has these glasses available. (Charge for non-Creek Club members is \$15/person.)

- **Guaranteed Reservations at Harvest Parties (weekends in late August and September)**

Our harvest parties have limited spaces and quickly fill up, but you won't have to stress about "getting on the list" as a Creek Club member. At these fun events you can get a glimpse into what it takes to start making a great wine. We'll harvest the grapes in the morning and finish with a FREE lunch as soon as all the grapes are harvested.

- **FREE access for two to our Fall Grape Stomp (2nd weekend in September)**

Help celebrate the grape harvesting season by dipping your toes into a barrel full of juicy Norton grapes. Then we'll finish the event with a hearty BBQ lunch.

If you can't pick your wines up at the winery within 6 weeks following each quarterly event, we would be happy to ship it to your home for an additional cost.
